Application Guide for Motorcycle, Scooter, ATV and PWC Covers

Custom & Ready-Fit® Covers

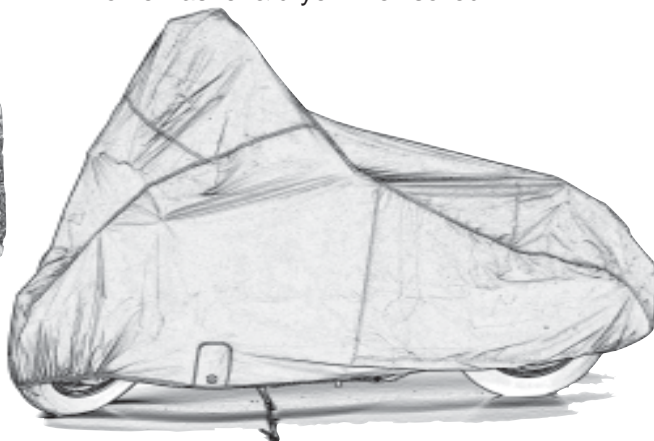

Deluxe Ready-Fit covers are manufactured using a durable all-weather silver-urethane coated polyester. Custom patterned covers for Harley-Davidson® models are available in a variety of fabrics.

Pack-Lite™ covers are made using our exclusive WeatherShield®*HP* fabric. Great protection while traveling, minimal storage space. Throw it in your home washer & dryer when soiled!

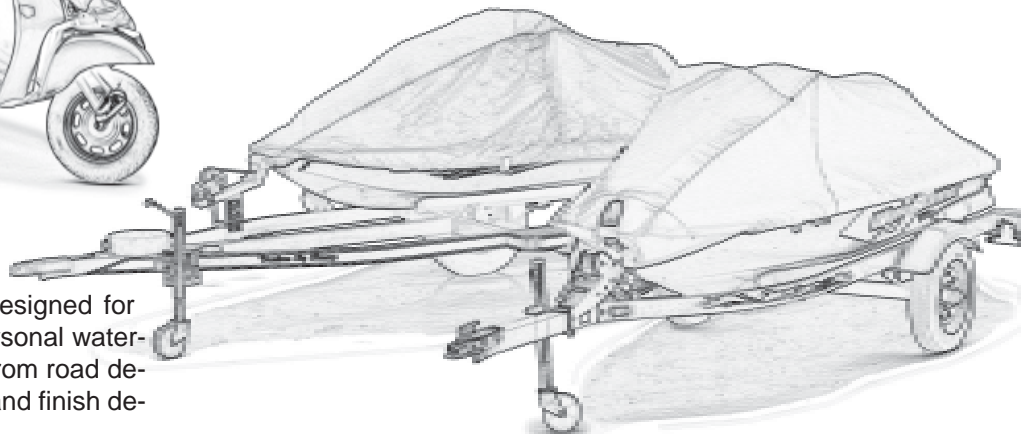

ATV covers are available in sun reflecting urethane coated polyester or printed camo finish.

Scooter covers meet the needs of this growing market. These semi-custom covers use silver-urethane coated polyester on the top/deck panel and PVC coated nylon side panels.

Custom patterned, designed for use while towing, personal watercraft covers protect from road debris as well as paint and finish degrading UV rays.
